

Director: Joni Havens

REHEARSALS: Wednesdays, Beginning September 7th from 4:30PM to 6:00PM. Depending on the level of enrollment, a separate, second group may be added and will rehearse on Mondays from 4:30-6PM beginning September 12th.

TECH WEEK: Tech week is the week prior to the show opening. It is an intensive week of rehearsals during which all light cues are set, as well as the movement of all set pieces between scenes. This is the week that the whole show comes together and is critical to the success of the performance. Attendance is extremely important! To avoid having tech rehearsals that run too long for this age group, Tech week will be spread out over a two week period. Please reserve the following days for tech rehearsal, and we will confirm tech rehearsal dates in the spring. Monday – Thursday April 30 – May 3rd and Mon – Wed May 7-9 from 4:30-6:30. If there is a second group, additional tech rehearsals will be held May 14 – 16th from 4:30-6:30. Students who are involved in other extra-curricular activities during this week will need to miss those activities during this time, so they can be present.

PERFORMANCES: Wednesday group performances: May 10-12th, Monday group performances: May 17 - 19th. If the size of the group is small enough, the group will meet on Wednesdays.

FEES: \$45 per month due Sept—May. Save 10% and pay the full amount by September 7th. Discounted amount is \$364.50

If you choose this option and your student decides not to continue with the production, and you request a refund, a \$10 processing fee will be charged. Of course exceptions will be made in the case of hardship.

TUITION POLICY: Tuition is due the first of each month. Please, no cash payments! Payments may be mailed to P.O. box 71, Conifer, CO 80433, or dropped in the tuition slot located just inside the front door at the theatre. If payment is not received by the 15th of the month, a \$10 late fee will be applied. If you are receiving a sibling discount, the discount will also be removed when late fee is applied. We recommend setting up automatic bill pay with your bank to avoid late fees, as no other statements or reminders will be sent.

ATTENDANCE: Theatre is a collaborative effort, cast members rely heavily on each other, so it is important that all members of the group be present whenever possible. Please check the calendar carefully and only register for this workshop if you can commit to the rehearsal, tech week, and performance schedule. ATTENDANCE DURING TECH WEEK AND ALL PERFORMANCE DATES IS MANDATORY! If you know you have a conflict with a regular rehearsal, you must request to be excused from rehearsal by notifying the directors two weeks in advance, in writing. In case of illness, please call the director as soon as possible. Sorry, no credits are given for missed classes, as StageDoor still incurs the cost associated with the class. In the event of excessive unexcused absences, you may be replaced and no credit given for tuition paid. Students should come to rehearsal prepared and with the following items: script, notepad and pencil, dance or tennis shoes (no thick soles please), appropriate rehearsal attire. A small tape recorder is highly recommended to help students learn their vocal parts, and can be purchased at stores such as WalMart for a reasonable price.

StageDoor Theatre is a 501(c)3 nonprofit organization. In order to put on a production, many hours go into set building, painting, collecting or making costumes and props, and more. You are registering your child for a performance-based workshop which involves a time commitment from the student to learn their lines and other responsibilities in a timely manner. This workshop also involves a time commitment from parents. We need all parents to participate in some way.

Volunteer just 6 hours to one of the following and earn one free ticket to a production. (circle one or more) Limit 2 free tickets per family. (Concessions & ushering jobs do not count toward volunteer hours). Free tickets are only available through volunteer work and are not automatically included with participation in the program.

- Costumes (collecting, sewing, laundering)
